# **NE1 Labs**

2022

# General Information

- **Time slots:**
  - **Slot 1**: Tuesdays 8:00 – 11:00
  - **Slot 2**: Thursdays 13:30 – 16:30

- **Place:** University of Zurich – Irchel Y55, Institute of Neuroinformatics (INI) For the first lab, we will wait for everyone in front of INI, and then guide you to the laboratory. How to find INI: http://sensors.ini.uzh.ch/contact.html. The laboratory is downstairs.

- **Groups of 2 people**: we will upload an Excel file to OLAT in which you can sign up your group, maximum of 15 group per day.

- **If you don't have a group**: we will make a section in the Excel file to find a groupmate according to your day of preference.

# Lab preparation

- Finish experiment 1.4 (virtual machine installation on your laptop)

- The material for the corresponding week will be published at the end of the lecture.

- You should hand in the prelab, lab report and post-lab as a group on OLAT dropbox before your next lab starts

- Submit the Jupyter notebook both in pdf/html and in the original .ipynb

- The prelab and postlab questions are graded individually, hence each person has to submit the files with their OWN answers.

# Grading

- First three labs are compulsory, for the remaining labs, one miss is allowed.

- Labs will be graded as pass/fail.

- In order to take the final exam students **must** pass the lab assignments (Recall: one missed allowance).

# Contact details

- For any questions regarding the labs, please contact us:

  - **Lavinia Moretti**: lavinia@ini.uzh.ch
  - **Oscar Hrynkevch**: oscar@ini.uzh.ch
  - **Lola Ardura**: lola@ini.uzh.ch
